***Thor / Eddie Karban***

*From Eddie:*

*I just wanted to say thank you!*

*First and foremost, I want to give thanks to our Lord, Jesus Christ, for everything in my life; without him, none of this would have been possible.*

*Secondly, I would like to thank my wonderful wife, Becky, who supports me and everything I do in my life. She gives me motivation to work harder, to be better in every way.... Thank You!*

*Next, I would like to thank Frank and all the other founding members of UFTA for creating this organization that we all enjoy and that brings us together for friendly competition and the enjoyment of our dogs. I would also like to thank Clay Moose and all of the board members for all the time and effort they put into making UFTA work so very well; and to Mary Arnau for her countless hours in keeping all the records and finances in order.*

*I would also like to thank the families that take the time out of their lives to put the trials on around us; Tim and Missy Reznick, Brandon and Lauren Tarquinio, Kevin and Diana Keisel, and Mr. & Mrs. Colin Fowler. Thank you for all your time and effort for making the trials fun.*

*On a different note, I would like personally thank Rick McClain for picking Thor out of his litter of pups for me, Chuck Fashing for getting me started with UFTA and for all of his selfless acts at all the trials that he attends. Next, I need to thank Richard Sipes for spending a lot of time with me when I first started running trials and showing me all the things that I was doing wrong to help me become a better dog handler and player. Last on my list but one of the most important; thank you Kevin Keisal for helping me with the training of my dogs, but most of all for being such a good role model on how to carry my self in and out of the field.*

*Again, thanks to all for the help you have given me. I couldn't have done any of this without all of you!*
